7th February 2024

Our Vision

Our vision is for Grenada to be a free, sovereign, and independent state within the international family of the Commonwealth of Nations and the brotherhood of the Commonwealth Realms. We believe in the King as our head of state and the Governor-General as his representative.

We believe in the Crown as the guardian of our constitution, the rule of law, and the functional operation of our democratic and parliamentary system. Grenada, the home we all share, deserves the best form of government to guarantee our freedom and future prosperity, and the King and Crown form a central part of that framework.

We wish for a prosperous and democratic Grenada, where the state is symbolised by something above political parties and politicians. A Grenada where party-politics is restrained to the realm of governing our nation, not being its representative face.

Our Mission

The Grenada Monarchist League pledges itself to promote and defend the Monarchy of Grenada as our system of government, with the King of Grenada as our head of state. We pledge to uphold the Independence Constitution of 1974, with its democratic, parliamentary, and monarchic system of government.

As such, the League:

- Will oppose any and all attempts to remove the Monarchy from our Constitution and make Grenada a republic.
- Support fully, wholly and unquestionably the position of the Governor-General as the independent, nonpartisan, and neutral appointed representative in Grenada of His Majesty.
- Support the current Oath of Allegiance by politicians, police officers and new citizens being to His Majesty the King of Grenada.
- Support Grenadian citizens being recommended for and receiving Royal Honours, awards and knighthoods from His Majesty, and the existence of the National Honours system with His Majesty as Sovereign.
- Support the adoption of a Grenadian Royal Standard, to be based on the Coat of Arms of Grenada.
- Support His Royal Highness the Prince William to be granted the title Prince of Carriacou, to symbolise his position as heir to the throne of Grenada.
- Support by all means necessary the reconstruction, restoration and rehabilitation of Government House, to once again provide a fixed and historic seat and residence for the Grenadian Crown.
- Will counter and disprove falsehoods, myths, misinformation, and slander directed against the Monarchy, the King and Royal Family, and the Governor-General.

Our Principles

The Grenada Monarchist League is founded upon the fundamental principles of:

- Loyalty to His Majesty the King, his Heirs and Successors, as Grenada's head of state.
- Loyalty to Grenada's Independence Constitution of 1974.
- Loyalty to the democratic and parliamentary system of responsible government.
- Support for the constitutional role of the Crown as the guarantor of the constitution and political stability.
- Belief in the necessity of the Royal Prerogative to be exercised, when necessary, to ensure the due independence of non-political institutions and to prevent government tyranny.
- Belief in the Commonwealth of Nations, the principles of its charter, and in the position of His Majesty as Head of the Commonwealth.
- Support for the brotherhood of the nations that make up the Commonwealth Realms, and believing they should work closely together.
- Belief in the principle of free and voluntary membership for all Grenadians.
- Non-partisanship, with members of all political parties and none being welcome to join the League, and the League to not take party-political stances.
- Dedication to Grenada's history and heritage, and the importance of embracing, incorporating and recognising, not rejecting, our past.
